

MRO PROCUREMENT OPTIMIZATION

Prometheus Group and Procure Analytics

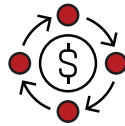

Industry-leading organizations look to and rely on Prometheus Group’s solutions to help enable maintenance and operations optimization.

As a customer of Prometheus Group, we're extending the value we bring to now include optimizing MRO procurement spending through our partnership with Procure Analytics, the leading Group Purchasing Organization (GPO) for MRO and Packaging Procurement.

Prometheus customers realize savings of 15-25% on MRO procurement, at no additional cost to them, by leveraging:

1,000+ member organization

\$1.5 billion combined annual MRO purchasing

Unmatched rates and terms in agreements with industry-leading suppliers

On-going spend analytics and value-mining

PROGRAM DETAILS

- **Memberships are free** – further value of being a Prometheus customer
- Memberships are non-binding
- No minimum spend required
- No major change to billing and procurement processes – just better rates and terms
- Continue existing relationships with preferred suppliers
- Real-time reporting and ongoing spend analysis
