Cost Entry

The screenshot displays a web application interface for cost entry. At the top, a navigation bar includes 'CMS', 'Dashboard', 'Cost Entry', 'Approvals', 'Contractors', 'Reporting', and 'Admin Panel'. The user 'Uziah Bracco' is logged in. On the left, a sidebar shows navigation options: 'New Entries' (5), 'Labor' (5), 'Equipment', 'Material', 'Miscellaneous', 'Submitted Entries', and 'Rejected Entries'. The main content area is titled 'Labor' and shows 'New & Unsubmitted Entries'. A modal window titled 'New Entry' is open, containing the following fields:

- Start Time: 01/04/2023 09:00 AM
- End Time: 01/04/2023 10:00 AM
- Job: 819765: Inspect Oxygen Heater & Burner
- Resource: Diamenn Bault
- Craft: Actuator Technic...
- Hours: 1

Buttons for 'CANCEL' and 'ADD ENTRY' are at the bottom of the modal. In the background, a table lists labor entries with columns for Description, Resource, and Craft. At the bottom right of the interface, there are buttons for 'NEW ENTRY', 'IMPORT ENTRIES', 'DELETE', and 'SUBMIT'.

Beyond Cost Tracking

- Full management of the contractor
- Contractor Resources
- Contractor Documents
 - Insurance
- Qualifications
- ERP Vendor Agreements
- Service Agreements
- Performance Metrics
