Objectives

- Collaborate by sharing challenges and successes in shift handover
- Help Prometheus Group evaluate the need and fit for a product targeted towards Shift Handover

Shift Handover

“

“Research by one oil & gas company revealed that while start-up, shutdown and changeover periods account for less than 5% of an operation’s staff time, 40% of plant incidents occur during this time .” – EHS Today

Impacts

- Operational inconsistencies
- Safety issues
- Maintenance productivity losses

How are you handling
