PROMETHEUS ERP ADVANCED

A PROVEN SOLUTION—CUSTOMER CASE STUDY

1,500+
employees
across 5
locations

ERP Advanced helped one customer support maintenance best practices, scheduling work orders at 80% capacity and leaving 20% capacity for reactive work

Scheduler allowed this work to be scheduled quickly and in advance while connecting with the SAP HR module to directly access personnel availability

Leading
Chemical
Company

This customer increased end-user productivity by 30% through ERP Advanced's automated and streamlined PM processes

Increased efficiency and the ability to plan work in advance led to improved employee morale
