STO Manager

The STO timeline vs. our product offering

Key Benefits of STO Manager

- Scope Management
 - What are we working on in the STO?
 - Who has approved the work?
 - How can I assure that we are working on the *right work*?
- Planning Process Tracking
 - Are we ready for the STO to start?
 - “I think we’re ready” vs. “I know we’re ready”
- Materials Management
- Inspection Planning and Execution
- QA/QC Packages
- Work Execution with Syntempo
